

Starter Studio Programme for Designer Silversmiths

- Award winning building designed by award winning architects Feilden Clegg Bradley
- 53 studios for 70 visual artists and makers
- Meeting/Training room facilities
- Opened in November 2001

Funded by Arts Council England, European Regional Development Funding

Starter Studio Programme for Designer Silversmiths

Programme offers:-

- 24/7 access to shared 108 m2 equipped workshop with IT facilities
- Affordable rent, currently £114 per month (incl. power)
- Technical & mentor support from established silversmiths
- Business start-up training course (Starting Out)
- Free hallmarking registration, punch and hallmarking service for the duration of the programme.
- Commission and exhibition opportunities

The Workshop...

All individuals have a bench & worktop, wall space for storage shelves and a locker.

- Hearth – with large torch and soldering stand.
- Pickle tank
- Polishing area
- 2 lathes – spinning/turning and engineers
- Milling machine
- Drill, band saw, sanding disc, linisher, fly press
- Selection of stakes and vices
- Laptop and printer
- Display cabinet

Technical and Design Support...

Cameron Maxfield (Max) silversmith/technical support and design advice, approx. one half day per week

The Mentors....

Brett Payne

Chris Knight

Maria Hanson

Some of the benefits...

- *Free access to Yorkshire Artspace's 'Starting Out'*
- All former beneficiaries have had access to Goldsmiths Company's 'Getting Started' course
- *Little Gems (Sheffield Assay Office new commissions)*
- Exit (exhibition of work by former beneficiaries)
- *Free Hallmarking (punch and registration)*
- Taking part in annual Open Studios events
- *Galvanize Sheffield (city-wide festival for contemporary metal)*
- Opportunities to take part in British Silverweek - many of our starters have received bursaries to make new work
- *Run workshops for the public*

And being part of a mixed arts studio complex offers plenty of scope to collaborate with artists who work in other media.....
